

North Dakota Military and Overseas Citizens Absentee Ballot Mailing Label

There are three types of postage for returning your ballot-choose one

- Prepaid first class postage is available to active duty military, their spouse and dependents, and overseas citizens who have access to the US Post Office or the Military Post Office (APO or FPO address).
- For the General Election only military and overseas citizens that have access to the Military Postal Service may request a **Prepaid Expedited Mail-Label 11-DOD** to express mail their absentee ballot. A portion of the label is retained by the voter for tracking their ballot through the US Postal Service. Please ensure the label is placed in the upper right corner and does not completely cover the Official Election Mail logo.
- Overseas citizens who do not have access to the Military Post Office must use the appropriate postage for the country from which the absentee ballot is being mailed. Please make sure the postage covers the bar code and prepaid postage block.
